

Thank you for submitting your application

The application materials have been submitted successfully. **Please remember to mail any other items requested in the program ad, if any, to the address:**

AMS Programs
Programs Department
American Mathematical Society
201 Charles Street
Providence, RI 02904-2294

Please [review your application right now to make sure everything is correct.](#)

You can click on the [Status](#) link above to view or [update](#) all your applications. Use the [Portfolio](#) link to update your standard coversheet info, update submitted files, check and update references, or to upload more files needed for your applications. You can withdraw completely within 2 days of the initial application, if desired, by pressing the "Withdraw" button on the [Application form](#).

Thank you for your application. Please expect a response to this application after the list of accepted presenters/speakers is released. For questions, contact the Programs Department at travel-grants@ams.org, specifically mentioning JMM Undergraduate Travel Grants.

Thank you,
AMS Programs

Thank you,
Programs and Travel Grants, American Mathematical Society

An email will be sent to you to confirm your application for this program. In some rare occasions, the email we are about to send could be blocked by your spam filter, please watch out for that. To avoid email problems, please add mathprograms@ams.org to your address book or the safe senders list if necessary.

MathPrograms: Institutional Authorization Confirmation

Inbox x

MathPrograms.Org <mathprograms@ams.org>

to esedoglu, me ▼

Dear Selim Esedoglu,

This is an automated email from MathPrograms.Org to confirm that we have received your submission to authorize James Evans's application for the Undergraduate Travel Grants to JMM 2026 at American Mathematical Society. You only need to submit it once per application.

If you encounter any issues, please let us know.

Thank you,
MathPrograms.Org
